Your doctor must write your prescription for a 90-day supply (or the number of days your plan allows for mail service). There may be limitations on some medications, such as controlled medications, due to state and federal laws. Send your prescriptions to WellDyneRx:

Electronically: This is the quickest way to fill your prescription. Ask your doctor to electronically send your prescription to WellDyneRx Prescription Delivery.

Fax: 1-888-830-3608 or 1-877-221-1259. Only prescribers may fax prescriptions to a pharmacy.

ORDERING PRESCRIPTIONS

WellDyneRx offers several easy ways to order your prescriptions. We will send a reminder when it’s time to refill your prescription. The best time to order refills is when you have a 14-day supply of your medicine left.

Online: Order refills at www.myWDRX.com.

By Mail: Mail the reorder form included in every prescription shipment or original prescriptions with Member ID and patient’s date of birth to:

WellDyneRx, P.O. Box 90369, Lakeland, FL 33804

PAYMENT

Payment is required with every prescription order. WellDyneRx accepts Visa, MasterCard, American Express, Discover, check, check by phone, or money order. We also accept payment cards for flexible spending and health savings accounts. For your convenience, we can keep your payment card on file for future orders by adding it to your secure account. Once you have registered, you can add or update your payment cards online or through our automated phone system.

MEDICATION PREFERENCE

WellDyneRx substitutes FDA-approved generic equivalent drugs for any brand name medications ordered, if available and permitted by your doctor. A generic drug is a variation of a brand name that has the same effectiveness, quality, safety, and strength, as confirmed by the FDA. If you prefer to receive only brand medications and pay the additional cost, please contact Member Services.

WellDyneRx provides email alerts to track the status of your prescription orders. Select “email” for your contact preference to receive specific order information, refill reminders, and shipment notification, including the estimated delivery date of your order.
